

Mambo Amp Price List, April 2017

- Prices are Ex-Works (i.e. freight costs, transit insurance and local import taxes are the buyer's responsibility)
- I don't charge VAT. (i.e. there is no VAT to pay if you're in UK, also no VAT to deduct if you are importing)
- Prices are based on bank transfer, cash or cheque payment method. (Other payment methods such as paypal, and some bank transfers may incur extra charges which are the buyers responsibility.)

Note; as of August 2016 all our amps have been upgraded with a 400 Watt rms (at 0.1% THD) power amplifier. This provides 200 W for the internal speaker, plus an additional 200 Watt if an external 8 Ohm speaker is also connected.
